Mr. Dave Morgan, Regional Manager
DT Distribution
1420 N. Euclid Avenue
Upland, CA 91786

Dear Mr. Morgan:

The California Department of Transportation (Caltrans), Office of Health and Safety Services, has completed its review of the Material Safety Data Sheets (MSDS) for the following product:

<u>Product Trade Name</u>	<u>Tracking Number</u>
BioRem-2000 Surface Care	NPE 09-03-002

The Office of Health and Safety Services have approved the use of this product by Caltrans employees when appropriate personal protective equipment is used. You are free to market this product to Caltrans and its contractors.

Because many other cleaning and/or degreasing products such as yours are available and offer similar performance, Caltrans does not expend limited available resources to undertake an extensive evaluation of each and every such product in order to designate an "approved" or "qualified" product. Rather, as long as the product is determined to be safe for our employees to handle and use, vendors are free to solicit purchases from amongst the various Caltrans functions that may have use of such products.

A current list of Caltrans maintenance managers who may be interested in this product may be obtained from Mr. P. J. Caldwell. Mr. Caldwell can be reached at (916) 296-2128.

If this product is proposed for use on any Caltrans construction contract, it is the supplier's responsibility to assure the product complies with all local water and air quality requirements. Any modification of recommended installation procedure, material, composition, or configuration of this product shall be conveyed to Caltrans. Please contact Mr. Caldwell in the Division of Maintenance if you should have any questions.

Product reviews, acceptance or approvals do not constitute an endorsement of this product by Caltrans.

Mr. Dave Morgan, Regional Manager
